Recommendation

There is only one responsive bidder who submitted a proposal/RFQ which also complied to the approved TOR. The approved TOR was published in the PHILGEPS on July 11 – 14, 2023 with solicitation number **23-SBC-037** and **three (3) bidders signified intention**. However, **only one (1) bidder submitted their proposal/RFQ before the deadline**. Upon checking the existing market rate for this type of project, the quoted price was found to be reasonable and acceptable. The TWG recommends the awarding of the **leased line subscription for Co-Location Site 200Mbps** to ePLDT being the lone bidder.
