In response to the clarification received by the Bid and Awards Committee (BAC) relative to the procurement of the above-stated project, the Committee hereby issues this Bid Bulletin to address and clarify the matter raised therein:

Issue/Question	Reply
We noted that the **PhilGEPS Posting/Bid (PDB) and ITB Item 3** indicates that the procurement is being conducted pursuant to **Republic Act No. 9184** and its revised implementing rules and regulations. However, we also observed that the attached bidding forms, particularly the **Bid Securing Declaration** and **Omnibus Sworn Statement**, appear to be based on the forms prescribed under **Republic Act No. 12009**. In this regard, may we kindly request confirmation as to whether the procurement is being conducted under **RA 9184** or **RA 12009**, and consequently, which set of prescribed bidding forms should be used by prospective bidders.	Pursuant to section 113 of the Implementing Rules and Regulations (IPP) of Republic Act No. 12009, procuring entities are granted a three (3)-year transitory period from the approval of the standard procurement forms within which to fully comply with the requirements thereof. By virtue of said provisions, the BAC resolved to apply the provisions of the revised IRR of Republic Act No. 9184 in the conduct of the procurement for this project while the Corporation is transitioning to the new procurement framework. The adoption of the new forms, including the Bid Form, Bid Securing Declaration (BSD), and Omnibus Sworn Statement (OSS), is in compliance with the GPPB Resolution No. 03-2025, which mandates the use of the said forms for applicable procurement transactions.

This Bid Bulletin shall form an integral part of the Bidding Documents for the procurement of the above-mentioned project.

For the information and guidance of all concerned.

Issued this 11th day of September 2026 in the City of Makati.
